

Reign - The Realm of Divine Leadership and Influence

REIGN This is a leadership education program set to strengthen true leadership—in its Godly and Fatherly dispositional attributes—to influence christian/business/church and government culture and to transform the governing worldwide institutional, corporate and SME/NGO mindsets to one of great influential examples in godly leadership.

Freedom, openness, extraordinary communication, proactive boldness, leading godly performance and the constant, planned, personal and collaborative team development is required for ultimate reigning in our realm as co-workers' together with God with our Father's influence and spiritual profitability manifesting locally, nationally and internationally.

- **Poor attitudes** and detrimental habits of a leadership culture of which we are not made aware—or if we do know and are keeping them secret—cannot be changed. There is nothing redeemable of hypocrisy and in being a hypocrite (an actor)—no matter what you think you may gain. Contrary to the world, God our Father does not give out awards for being a convincing actor—without a doubt it is the opposite!
- **Wrong attitudes** and our own internal anti-leadership habits do not change into great leadership habits and attitudes without an understanding of the need for an exchange!
- **Attitudes can change immediately**, but habits cannot be changed overnight. Nevertheless they will change if you plan and reward the change with the desired mindset for desired outcomes. Jesus reiterated that a tree is revealed by its fruit. The fruit is first in the heart of the tree. The fruit of some trees lead to Life, while many others lead to Death.
- **You will know you have made the change** by the results/fruit produced.
- **You are a tree!** You produce fruit!—does it cause death or life in your brothers and sisters, family, friends, colleagues or co-workers?
- **What fruit are you offering your family, your people?**

Let's talk about differences between Management and Leadership

Management requires systematic manuals, can be remote controlled and be learned by rote – Leadership demands trusted relationship connectors, contagious and believable inspiration, and is learned by following an example.

Management is linear, systematic and sequential – Leadership is aural, visual, motivational, directional and consequential.

Management left to itself will naturally drift to the microscopic – Leadership left to itself will naturally drift to the telescopic.

Management is **shortsighted** and will focus everyone on minute detail down the microscope. Leadership is **longsighted** and will focus everyone on the massive detail up the telescope. Both will trip over the elephant in the room without their coworkers and helpers' insight via the 'Holy Spirit's anointing'.

It is much easier to manage than it is to lead! Until the leader has blazed the trail no one is needed to manage a tour of ‘The Realm’! Our Lord Jesus Christ has blazed the trail into the ‘Kingdom/Realm Of Heaven’ which He called “His Father’s Business”.

Today: Who are the “Tour Guides”?.....Who are the “Trail Blazers”?.....

In Summary:

The **Vision** must be **Led!** The **Mission** must be **Managed!** The **Values** must be **Lived!**

You need to Reign!

To Reign With Jesus Christ Is To Control Your Present ~ Which Incidentally,
Decides Your Future!

Past great performance is no guarantee of future success, especially when related to reward. Remember, K.P.I’s. (Key Performance Indicators) are just the ‘theory’ or projection of future purpose, goals and objectives, their achievements and successes based on past performance and future goals, but usually with a new and higher measure of routine and therefore possible future gain.

What will you do after you have reached what you believe is your ‘peak performance’ and can’t do more without creating great stress for yourself and those around you?

Well, you will either get help, stretch for grace through faith, or you will have to leave and go elsewhere while you contemplate your future in your present situation.

But let’s move this from being just personal, to also being a corporate or group entity amongst other players in the field, because this will ensure we can apply the same rules across the board – from the top to the bottom, and from the bottom to the top!

- We can only be at the cutting edge of anything by knowing how to reign supreme in that realm.
- To reign has nothing to do with ‘royalty, position, prestige or status’ (titular heads)! It has everything to do with influence, growth and control of the ‘realm’! It is most important for the present – and especially for our future!
- We must set our future DNA in the seed of the present developing flower and its fruit before it is placed in the ground to die. This is predestination as first determined by God our Father.
- It must be embedded in our new hearts and minds long before we can experience it physically/materially/spiritually. If it isn’t – nothing will change, even though we may buy and wear new clothes (outward appearance) and rearrange, or buy new furniture (equipment, technology and educational toys), and use AI or buy better talent and teachers (staff and new people).

We are leading/influencing in what is generally called ‘the community’, (people/business/hospitality) and service/ministry (their needs/wants/desires) vocation or industry with motivation and inspiration for connection to the higher eternal realm of life and its associated genre for the purpose of total enjoyment and wealth creation on earth as it is in heaven.

REIGN

Our plan is to reign supreme on the earth in all of its diversity with people worldwide by increasing, developing and enriching our family worldwide according to the 'Vision, Mission and Values' of our Lord Jesus Christ in His Kingdom—both His and our Father's business.

The purpose of the church/assembly of individual members known as the 'Body of Christ':

Interconnect—Interrelate—Educate—Develop—Grow—Unite with Him
People Now and Future—Nurturing of Christ Within with His Anointing

For

The Kingdom Life and Living Now and the Future

To

Connect with ever increasing strength to

Our current brothers and sisters

To

Grow our family of heaven and earth

With

Millions of new brothers and sisters and their children we will minister to
as 'Ambassadors' who reign in life, in and through Jesus Christ now
as His living Family/Assembly, for our Father in whom the whole Family in
Heaven and Earth is named and expressed.

As a leader/influencer to reign in your realm—you must first reign over yourself. What you don't reign over within, will be heard (from your mouth), seen (by your actions) and felt (through your members) by others without. Indeed the scriptures say it will be 'shouted from the rooftops'! That which has not been crucified and buried may ultimately still be heard and seen by everyone.

Some in such agony in foolish resolve will turn to a tool like a gun—or a solicitor—a barrister—or justify through the tool of 'social media' and use up large sums in defence as with the right 'natural' tools any foolish person can rule for a season—but will never reign in life in his/her realm until he/she learns to reign over him/herself.

He who reigns with Christ truly rules without worldly natural tools!

Your brother in the Kingdom of our Lord Jesus Christ,

Pastor John
